

KALLANGUR-DAKABIN NEIGHBOURHOOD PLAN PROJECT

HAVE YOUR SAY

April 2023

We are excited to present the draft Kallangur-Dakabin Neighbourhood Planning Future Directions Report for community feedback.

Over the last two years we have been working with the community to develop future directions that will better guide growth in Kallangur-Dakabin while considering what makes this neighbourhood unique.

The draft Report establishes a shared vision for the local area and sets out strategies to guide future development over the next 10 years and beyond.

Once adopted, the Report will guide changes to the local planning rules and other projects and initiatives, so when development occurs we are all heading toward our vision for Kallangur-Dakabin.

Your neighbourhood

The draft Future Directions Report has been informed by what you have told us you love about Kallangur-Dakabin and where you think things could be improved. We have used this feedback, along with guidance from a Community Reference Group and technical input, to draft the Report.

Four key themes have been formed for the Report based on what we heard from you. These themes provide a framework for identifying priorities for the future development of the Kallangur-Dakabin area:
