

# MORAYFIELD NEIGHBOURHOOD PLAN

## WHAT WE HEARD FROM YOU

September 2022

**Moreton Bay Regional Council kicked off our Morayfield Neighbourhood Plan project by asking the community what they love about the Morayfield area and what Council should focus on as the area grows and develops.**

Between Tuesday 19th April until Monday 30th May 2022, people who live, work or visit the area were invited to participate by:

Completing the community survey

Dropping a pin on the map

Attending one of our pop-up displays

Nominating to be part of the Community Reference Group (CRG)

We received more than 200 survey responses and 190 pins on our online map. We also interacted with over 400 people across 14 pop-up displays. Thank you to everyone who got involved and took the time to share your views and ideas about your neighbourhood.

We wanted to let you know what we heard from you during this first round of consultation. Check out the Engagement No. 1 Summary on the project webpage to find out what we heard from you about your neighbourhood.

Community input is an important part of the neighbourhood planning process. We will continue to consider what you told us moving forward with the community reference group and the draft neighbourhood plan, and there will be more opportunities for you to have your say as the project progresses.

### What's Next?

Expressions of interest to join the CRG were invited between 19 April until 30 May 2022, and 15 members for the CRG have now been appointed. Four meetings have been scheduled with the CRG over the next few months to help set a vision for the area and strategies to help us get there.

Stay tuned to the project webpage for updates and outcomes from CRG meetings.

# MORAYFIELD NEIGHBOURHOOD PLAN

## WHAT WE HEARD FROM YOU

### Why a Community Reference Group?

A CRG is a group of people who have an interest in Caboolture South, Morayfield and Upper Caboolture, such as a business owner, property owner or someone who works or lives in the area. They will provide local knowledge and input on a range of matters in the Morayfield Neighbourhood Plan area to help Council set a vision for the area and strategies to help us get there.

Specifically, the CRG will:

- receive briefings on the purpose and process of neighbourhood
- advocate, promote and facilitate the flow of information between community and Council
- work closely with Council to ensure community concerns and aspirations are understood and considered
- provide advice and innovation to help formulate solutions to contribute to Council decisions
- monitor and represent community views regarding local issues

### Neighbourhood Plan Steps

Neighbourhood plans will focus on locally specific matters that will shape our neighbourhoods. To prepare the neighbourhood plan Council will follow the steps below. For more detail about each of the steps please refer to the April 2022 newsletter on the project webpage.

### More Information

To find out more about the Morayfield Neighbourhood Plan, please visit the project webpage. We encourage you to stay updated on the project by clicking the “Follow” button in the top left-hand corner of the webpage.
